Logo Redesign

Modernizing Elljomi's visual signature

Logo

The logo is an integral part of ELLJOMI brand and should be used thoughtfully and consistently.

BEFORE

AFTER

Logo Variations

Logo should be white on darker backgrounds and black on lighter backgrounds.

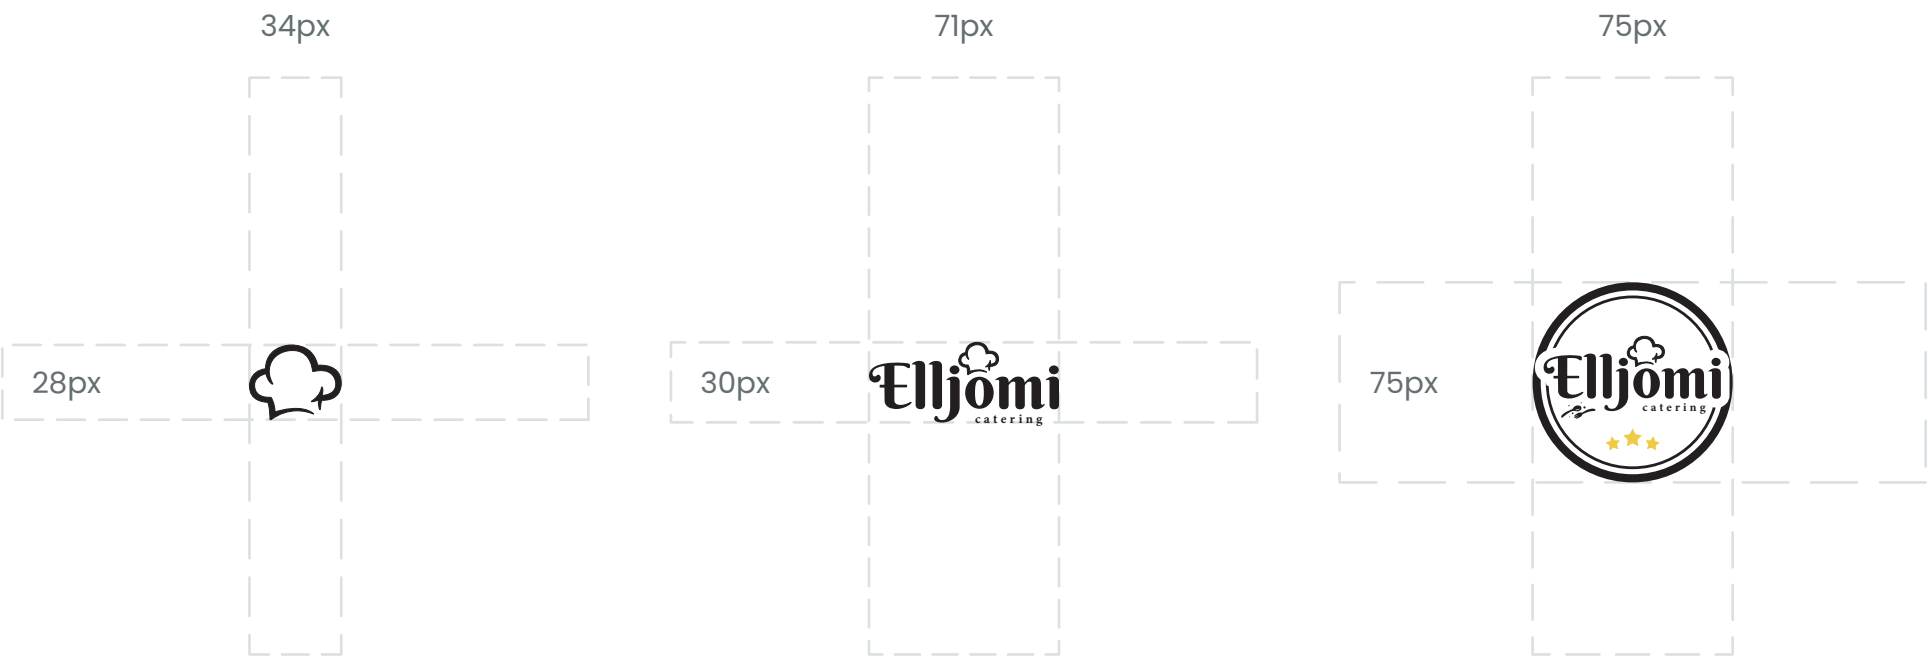
Thumbnail Mark

Wherever the master logo can not properly fit without being compromised, use our compressed mark where applicable.

Minimum Size

To make sure the logo is always clear and legible, there are minimum sizes requirements.



Safe Zone

It's important to maintain proper spacing around the logo to avoid overcrowding.

The use of whitespace keeps the brand feeling clean.

The minimum clear space of the logo is the cap width of the E.

Incorrect Logo Application

AVOID USING

AVOID USING

AVOID STRETCHING

AVOID ROTATING

AVOID USING ON BUSY BACKGROUNDS
